

Dear Jim & Dan,

A lot of water has passed under the keel since we last saw you. The experiences we shared on the NAR 2004 continue to be some of the most memorable times of our lives. Thank you again for your leadership and good humor. We can't imagine the NAR without Jim Leishman, Dan Streech, and Atlantic Escort.

We write for a couple of reasons. First, we want to let you know how delighted we are to be, once again, happy members of the Nordhavn family. As you may recall, we sold our N-46 Envoy in Rome in March, 2007. Last month we purchased a 2001 N-35 Coastal Pilot with the help of Ray Danet in Stuart. After almost 9 years of being homeless and living aboard a boat, we now have a home in Texas and a smaller Nordhavn that we plan to spend 5-6 months aboard every year. We love the new "little" Envoy and think she will be the perfect boat for us at this time.

Second, we wanted to let you know how helpful and professional Ray Danet was as we worked our way through the purchase of our "new" Envoy. There were a number of issues that presented themselves to complicate the deal and Ray methodically and skillfully worked through each one. He represented the seller and our interests in an ethical and professional manner. We are delighted with the process and wanted you to know how valuable Ray and his staff have been to us.

As we write this email we are aboard Envoy in Wrightsville Beach, N. C. having some work done on our Coastal Pilot. After our first winter ashore, we plan to cruise to Maine this summer. We are happy to report that in every anchorage and every marina, our new Envoy continues to attract the attention from knowledgeable boaters that both of our Nordhavn yachts have drawn.

Sincerely,

Wayne & Patricia Davis
